Course Prerequisites

Interactive Intelligence, Inc. (Interactive) training is available to Resellers, Partners, and Customers, both direct and indirect. Interactive prospective customers must have a signed non-disclosure agreement on file before registering for class.

To maximize the student's potential for successful course completion and/or certification, each student is expected to:

- Have a current *basic knowledge** of the Microsoft Windows interface and familiarity with its terminology.
- Be fluent in the spoken and written English language. **

**Basic Knowledge* is defined as: User must be able to use Explorer interface to cut, paste, and copy files.

** *The online course materials and instructions are presented in the English language. Therefore, in order to fully benefit from the instruction, all students must be fluent in the English language.*

In order to complete the online simulation, the following software requirements must also be met:

- Internet Explorer 7.x or greater must be installed.
- The latest version of the Adobe Flash plug-in. (www.adobe.com/downloads) must be installed.

It may also be necessary to enable your browser's ActiveX control to run the Flash simulations.

Additional Training Opportunities

- Students desiring additional information on administering the Interaction Center System should consider the **Interaction Center Administration** course.
- The **Online Passport** is recommended for all partners and customers of Interactive Intelligence.
